[ The Closer of 11-Building in 2015-16 "Deaths" ]

Your Honor (This is the tract Binder Sheet that was just found to be missing from my Civil Action Folder.)

I had humbly made the statement that there was suspicion of large amounts of Mortalities in 11-Building in 2015-16 that for two or three reasons 11-Building was closed (deaths due to heat related deaths, my aim was to establish a reason for closed,

On August the 14th I asked an Officer whom has been working 11-Building for 2-3 years if 11-Building had been closed down before and his answer was as following,

"Yes, There was some deaths on 11-Building due to heat related issues"

Because of this, I have been cocktail with blood medications my chest hurts all the time (Now)

I had almost gotten off of blood pressure medication and now I am "hunting all the time".

I have been cocktail with large amounts of blood pressure medication (5)

Due to my situation and because of my small amount of legal knowledge I ask that I not be held to the same standard as Attorneys, and I pray that the Honorable majesty and the judge acknowledge the Hugh D. Dow has and appoint an attorney to assist me.

May I say thank you for your time and assistance in this matter
